Application for Multistate Voluntary Disclosure
Multistate Tax Commission
National Nexus Program

DRAFT

Instructions

Please provide a separate Application for Multistate Voluntary Disclosure in PDF format for each state applied to. Do not attempt to modify or reformat the Application form. If additional or supplemental information beyond the form needs to be provided, please attach it as a separate addendum (do not include the taxpayer’s identity in the addendum).

The information provided will be submitted to the appropriate states without alteration other than to remove contact information and any other identifying information. Do not include information regarding more than one state in one application. Incomplete Applications cannot be accepted or processed.

The applicant’s factual statements will become part of the voluntary disclosure agreement, and the states will rely on this information to evaluate the application for voluntary disclosure. Material omissions or misrepresentations in the application will invalidate the agreement.

Past due tax liability and returns will be addressed within the voluntary disclosure process. Prior contact with a state (such as registering, filing a return, making a tax payment, receiving a notice of audit or delinquency) could disqualify the applicant from voluntary disclosure relief for that tax type. Anonymous inquiries to a department of revenue regarding filing requirements, how to compute tax, and similar general information issues will not be considered sufficient prior contact with a state to deny eligibility.

Email applications in PDF format to Nexus@mtc.gov. The telephone number for questions about this form is (202) 695-8140. Email inquiries can also be sent to nexus@mtc.gov.
