

MULTISTATE TAX COMMISSION

Multistate Tax Commission Fall Committee Meetings
Rosen Centre Hotel
9840 International Drive
Orlando, Florida

Litigation Committee Report

Clark Snelson, Chair

Mark Wainwright and Dee Wald, co-Vice Chairs

The Committee met in Boston, Massachusetts, during the 2018 annual meeting. At that time, Commission staff presented an update on the Commission's amicus brief activity and discussed the challenges involved in helping the joint audit program obtain compliance with document requests. The Committee also heard a discussion from Lee Sheppard on why states should include GILTI income in their tax bases.
