and that persons subject to the tax must register with the tax commissioner under section 5739.103 of the Revised Code.

(E) No more than once a year, and subject to the rates prescribed in division (B) or (C) of this section, the legislative authority of the municipal corporation or township, by ordinance or resolution, may increase or decrease the rate of a tax levied under this section. The legislative authority, by ordinance or resolution, at any time may repeal such a tax. The legislative authority shall certify to the tax commissioner and treasurer of state copies of the ordinance or resolution repealing or changing the rate of the tax within five days after its adoption. In addition, one time each week during the two weeks following the adoption of the ordinance or resolution, the legislative authority shall cause to be published in a newspaper of general circulation in the municipal corporation or township, or as provided in section 7.16 of the Revised Code, notice of the repeal or change.

(F) A person may separately or proportionately bill or invoice a tax levied pursuant to division (B) or (C) of this section to another person.

Sec. 5741.01. As used in this chapter:

(A) "Person" includes individuals, receivers, assignees, trustees in bankruptcy, estates, firms, partnerships, associations, joint-stock companies, joint ventures, clubs, societies, corporations, business trusts, governments, and combinations of individuals of any form.

(B) "Storage" means and includes any keeping or retention in this state for use or other consumption in this state.

(C) "Use" means and includes the exercise of any right or power incidental to the ownership of the thing used. A thing is also "used" in this state if its consumer gives or otherwise distributes it, without charge, to recipients in this state.

(D) "Purchase" means acquired or received for a consideration, whether such acquisition or receipt was effected by a transfer of title, or of possession, or of both, or a license to use or consume; whether such transfer was absolute or conditional, and by whatever means the transfer was effected; and whether the consideration was money, credit, barter, or exchange. Purchase includes production, even though the article produced was used, stored, or consumed by the producer. The transfer of copyrighted motion picture films for exhibition purposes is not a purchase, except such films as are used solely for advertising purposes.

(E) "Seller" means the person from whom a purchase is made, and includes every person engaged in this state or elsewhere in the business of selling tangible personal property or providing a service for storage, use, or other consumption or benefit in this state; and when, in the opinion of the
tax commissioner, it is necessary for the efficient administration of this chapter, to regard any salesperson, representative, peddler, or canvasser as the agent of a dealer, distributor, supervisor, or employer under whom the person operates, or from whom the person obtains tangible personal property, sold by the person for storage, use, or other consumption in this state, irrespective of whether or not the person is making such sales on the person's own behalf, or on behalf of such dealer, distributor, supervisor, or employer, the commissioner may regard the person as such agent, and may regard such dealer, distributor, supervisor, or employer as the seller. "Seller"
A marketplace facilitator shall be treated as the "seller" with respect to all sales facilitated by the marketplace facilitator on behalf of one or more marketplace sellers on and after the first day of the first month that begins at least thirty days after the marketplace facilitator first has substantial nexus with this state. Otherwise, "seller" does not include any person to the extent the person provides a communications medium, such as, but not limited to, newspapers, magazines, radio, television, or cable television, by means of which sellers solicit purchases of their goods or services.

(F) "Consumer" means any person who has purchased tangible personal property or has been provided a service for storage, use, or other consumption or benefit in this state. "Consumer" does not include a person who receives, without charge, tangible personal property or a service.

A person who performs a facility management or similar service contract for a contractee is a consumer of all tangible personal property and services purchased for use in connection with the performance of such contract, regardless of whether title to any such property vests in the contractee. The purchase of such property and services is not subject to the exception for resale under division (E) of section 5739.01 of the Revised Code.

(G) (1) "Price," except as provided in divisions (G)(2) to (6) of this section, has the same meaning as in division (H)(1) of section 5739.01 of the Revised Code.

(2) In the case of watercraft, outboard motors, or new motor vehicles, "price" has the same meaning as in divisions (H)(2) and (3) of section 5739.01 of the Revised Code.

(3) In the case of a nonresident business consumer that purchases and uses tangible personal property outside this state and subsequently temporarily stores, uses, or otherwise consumes such tangible personal property in the conduct of business in this state, the consumer or the tax commissioner may determine the price based on the value of the temporary storage, use, or other consumption, in lieu of determining the price pursuant
to division (G)(1) of this section. A price determination made by the consumer is subject to review and redetermination by the commissioner.

(4) In the case of tangible personal property held in this state as inventory for sale or lease, and that is temporarily stored, used, or otherwise consumed in a taxable manner, the price is the value of the temporary use. A price determination made by the consumer is subject to review and redetermination by the commissioner.

(5) In the case of tangible personal property originally purchased and used by the consumer outside this state, and that becomes permanently stored, used, or otherwise consumed in this state more than six months after its acquisition by the consumer, the consumer or the commissioner may determine the price based on the current value of such tangible personal property, in lieu of determining the price pursuant to division (G)(1) of this section. A price determination made by the consumer is subject to review and redetermination by the commissioner.

(6) If a consumer produces tangible personal property for sale and removes that property from inventory for the consumer's own use, the price is the produced cost of that tangible personal property.

(H) "Nexus with this state" means that the seller engages in continuous and widespread solicitation of purchases from residents of this state or otherwise purposefully directs its business activities at residents of this state.

(I)(1) "Substantial nexus with this state" means that the seller has sufficient contact with this state, in accordance with Section 8 of Article I of the Constitution of the United States, to allow the state to require the seller to collect and remit use tax on sales of tangible personal property or services made to consumers in this state.

(2) "Substantial nexus with this state" is presumed to exist when the seller does any of the following:

(a) Uses an office, distribution facility, warehouse, storage facility, or similar place of business within this state, whether operated by the seller or any other person, other than a common carrier acting in its capacity as a common carrier.

(b) Regularly uses employees, agents, representatives, solicitors, installers, repairers, salespersons, or other persons in this state for the purpose of conducting the business of the seller or either to engage in a business with the same or a similar industry classification as the seller selling a similar product or line of products as the seller, or to use trademarks, service marks, or trade names in this state that are the same or substantially similar to those used by the seller.

(c) Uses any person, other than a common carrier acting in its capacity
as a common carrier, in this state for any of the following purposes:

(i) Receiving or processing orders of the seller's goods or services;
(ii) Using that person's employees or facilities in this state to advertise, promote, or facilitate sales by the seller to customers;
(iii) Delivering, installing, assembling, or performing maintenance services for the seller's customers;
(iv) Facilitating the seller's delivery of tangible personal property to customers in this state by allowing the seller's customers to pick up property sold by the seller at an office, distribution facility, warehouse, storage facility, or similar place of business.
(d) Makes regular deliveries of tangible personal property into this state by means other than common carrier.
(e) Has an affiliated person that has substantial nexus with this state.
(f) Owns tangible personal property that is rented or leased to a consumer in this state, or offers tangible personal property, on approval, to consumers in this state.
(g) Enters into an agreement with one or more residents of this state under which the resident, for a commission or other consideration, directly or indirectly refers potential customers to the seller, whether by a link on a web site, an in person oral presentation, telemarketing, or otherwise, provided the cumulative gross receipts from sales to consumers referred to the seller by all such residents exceeded ten thousand dollars during the preceding twelve months.
(h) Uses in-state software to sell or lease taxable tangible personal property or services to consumers, provided the seller has gross receipts in excess of five hundred thousand dollars in the current or preceding calendar year from the sale of tangible personal property for storage, use, or consumption in this state or from providing services the benefit of which is realized in this state.
(i) Provides or enters into an agreement with another person to provide a content distribution network in this state to accelerate or enhance the delivery of the seller's web site to consumers, provided the seller has gross receipts in excess of five hundred thousand dollars in the current or preceding calendar year from the sale of, in two hundred or more separate transactions selling tangible personal property for storage, use, or consumption in this state or from providing services the benefit of which is realized in this state.

(3) A seller presumed to have substantial nexus with this state under divisions (I)(2)(a) to (f), (g), and (h), and (i) of this section may rebut that presumption by demonstrating that activities described in any of those
divisions that are conducted by a person in this state on the seller's behalf are not significantly associated with the seller's ability to establish or maintain a market in this state for the seller's sales.

(4) A seller presumed to have substantial nexus with this state under division (I)(2)(g) of this section may rebut that presumption by submitting proof that each resident engaged by the seller as described in that division did not engage in any activity within this state during the preceding twelve months that was significantly associated with the seller's ability to establish or maintain the seller's market in this state during the preceding twelve months. Such proof may consist of sworn written statements from all the residents with whom the seller has an agreement stating that the resident did not engage in any solicitation in this state on behalf of the seller during the preceding twelve months if such statements are provided and obtained in good faith. A marketplace facilitator is presumed to have substantial nexus with this state if either of the following apply in the current or preceding calendar year:

(a) The aggregate gross receipts derived from sales of tangible personal property for storage, use, or consumption in this state or services the benefit of which is realized in this state, including sales made by the marketplace facilitator on its own behalf and sales facilitated by the marketplace facilitator on behalf of one or more marketplace sellers, exceed one hundred thousand dollars;

(b) The marketplace facilitator engages in on its own behalf, or facilitates on behalf of one or more marketplace sellers, two hundred or more separate transactions selling tangible personal property for storage, use, or consumption in this state or services the benefit of which is realized in this state.

(5) A seller that does not have substantial nexus with this state, and any affiliated person of the seller, before selling or leasing tangible personal property or services to a state agency, shall register with the tax commissioner in the same manner as a seller described in division (A)(1) of section 5741.17 of the Revised Code.

(6) As used in division (I) of this section:

(a) "Affiliated person" means any person that is a member of the same controlled group of corporations as the seller or any other person that, notwithstanding the form of organization, bears the same ownership relationship to the seller as a corporation that is a member of the same controlled group of corporations.

(b) "Controlled group of corporations" has the same meaning as in section 1563(a) of the Internal Revenue Code.
(c) "State agency" has the same meaning as in section 1.60 of the Revised Code.

(d) "In-state software" means computer software, as that term is defined in section 5739.01 of the Revised Code, that is stored on property in this state or is distributed within this state for the purpose of facilitating a seller's sales.

(e) "Content delivery network" means a system of distributed servers that deliver web sites and other web content to a user based on the geographic location of the user, the origin of the web site or web content, and a content delivery server.

(f) "Fiscal officer" means, with respect to a regional transit authority, the secretary-treasurer thereof, and with respect to a county which is a transit authority, the fiscal officer of the county transit board appointed pursuant to section 306.03 of the Revised Code or, if the board of county commissioners operates the county transit system, the county auditor.

(K) "Territory of the transit authority" means all of the area included within the territorial boundaries of a transit authority as they from time to time exist. Such territorial boundaries must at all times include all the area of a single county or all the area of the most populous county which is a part of such transit authority. County population shall be measured by the most recent census taken by the United States census bureau.

(L) "Transit authority" means a regional transit authority created pursuant to section 306.31 of the Revised Code or a county in which a county transit system is created pursuant to section 306.01 of the Revised Code. For the purposes of this chapter, a transit authority must extend to at least the entire area of a single county. A transit authority which includes territory in more than one county must include all the area of the most populous county which is a part of such transit authority. County population shall be measured by the most recent census taken by the United States census bureau.

(M) "Providing a service" has the same meaning as in section 5739.01 of the Revised Code.

(N) "Other consumption" includes receiving the benefits of a service.

(O) "Lease" or "rental" has the same meaning as in section 5739.01 of the Revised Code.

(P) "Certified service provider" has the same meaning as in section 5740.01 of the Revised Code.

(Q) "Remote sale" means a sale for which the seller could not be legally required to pay, collect, or remit a tax imposed under this chapter or Chapter 5739. of the Revised Code, unless otherwise provided by the laws of the
United States.

(R) "Remote seller" means a seller that lacks substantial nexus with this state but is required to register with the tax commissioner under section 5741.17 of the Revised Code pursuant to federal law authorizing states to require such sellers to register, collect, and remit use tax. A seller that is not required to register with the commissioner under division (A) of section 5741.17 of the Revised Code but registers voluntarily under division (B) of that section is not a "remote seller." A seller that registers with the commissioner under section 5741.17 of the Revised Code after the effective date of any federal law that authorizes states to require sellers that lack substantial nexus with the state to register, collect, and remit use tax is presumed to be a "remote seller." The seller or the commissioner may rebut this presumption with evidence that the seller has substantial nexus with this state.

(S) "Remote small seller" means a remote seller that has gross annual receipts from remote sales in the United States not exceeding one million dollars for the preceding calendar year. For the purposes of determining whether a person is a small remote seller, the sales of all persons related within the meaning of subsection (b) or (c) of section 267 or section 707(b)(1) of the Internal Revenue Code shall be aggregated, and persons with one or more ownership relationships shall be aggregated if those relationships were designed with the principal purpose to qualify as a remote small seller.

(T) "Marketplace facilitator" means a person that owns, operates, or controls a physical or electronic marketplace through which retail sales are facilitated on behalf of one or more marketplace sellers, or an affiliate of such a person. "Marketplace facilitator" does not include a person that provides advertising services, including tangible personal property or services listed for sale, if the advertising service platform or forum does not engage directly or indirectly through one or more affiliated persons in the activities described in division (W)(2) of this section.

(U) "Marketplace seller" means a person on behalf of which a marketplace facilitator facilitates the sale of tangible personal property for storage, use, or consumption in this state or services the benefit of which are realized in this state, regardless of whether or not the person has a substantial nexus with this state.

(V) "Electronic marketplace" includes digital distribution services, digital distribution platforms, online portals, application stores, computer software applications, in-app purchase mechanisms, or other digital products.
(W) A sale is "facilitated" by a marketplace facilitator on behalf of a marketplace seller if it satisfies divisions (W)(1), (2), and (3) of this section:

(1) The marketplace facilitator, directly or indirectly, does any of the following:
(a) Lists, makes available, or advertises the tangible personal property or services that are the subject of the sale in a physical or electronic marketplace owned, operated, or controlled by the marketplace facilitator;
(b) Transmits or otherwise communicates an offer or acceptance of the sale between the marketplace seller and the purchaser in a shop, store, booth, catalog, internet site, or other similar forum;
(c) Owns, rents, licenses, makes available, or operates any electronic or physical infrastructure or any property, process, method, copyright, trademark, or patent that connects the marketplace seller to the purchaser for the purpose of making sales;
(d) Provides the marketplace in which the sale was made or otherwise facilitates the sale regardless of ownership or control of the tangible personal property or services that are the subject of the sale;

(i) Brands or otherwise identifies the sale as a sale of the marketplace facilitator.

(2) The marketplace facilitator, directly or indirectly, does any of the following:
(a) Collects the price of the tangible personal property or services sold to the consumer;
(b) Provides payment processing services for the sale;
(c) Collects payment in connection with the sale from the consumer through terms and conditions, agreements, or arrangements with a third party, and transmits that payment to the marketplace seller, regardless of whether the person collecting and transmitting such payment receives
compensation or other consideration in exchange for the service;

(d) Provides virtual currency that consumers are allowed or required to use to purchase the tangible personal property or services that are the subject of the sale.

(3) The subject of the sale is tangible personal property or services other than lodging by a hotel that is or is to be furnished to transient guests.

Sec. 5741.04. Every seller required to register with the tax commissioner pursuant to section 5741.17 of the Revised Code who is engaged in the business of selling or facilitating the sale of tangible personal property in this state for storage, use, or other consumption in this state, to which section 5741.02 of the Revised Code applies, or which is subject to a tax levied pursuant to section 5741.021, 5741.022, or 5741.023 of the Revised Code, shall, and any other seller who is authorized by rule of the tax commissioner to do so may, collect from the consumer the full and exact amount of the tax payable on each such storage, use, or consumption, in the manner and at the times provided as follows:

(A) If the price is, at or prior to the delivery of possession of the thing sold to the consumer, paid in currency passed from hand to hand by the consumer or the consumer's agent, to the seller or the seller's agent, the seller or the seller's agent shall collect the tax with and at the same time as the price.

(B) If the price is otherwise paid or to be paid, the seller or the seller's agent shall, at or prior to the delivery of possession of the thing sold to the consumer, charge the tax imposed by or pursuant to section 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code to the account of the consumer, which amount shall be collected by the seller from the consumer in addition to the price. Such transaction shall be reported on the return for the period in which the transaction occurred, and the amount of tax applicable to the transaction shall be remitted with the return or, if the consumer is subject to section 5741.121 of the Revised Code, in the manner prescribed by that section. The amount of the tax shall become a legal charge in favor of the seller and against the consumer.

(C) It shall be the obligation of each consumer, as required by section 5741.12 of the Revised Code, to report and pay the taxes levied by sections 5741.021, 5741.022, and 5741.023 of the Revised Code, if applicable, on any storage, use, or other consumption of tangible personal property purchased in this state from a vendor required to be licensed pursuant to section 5739.17 of the Revised Code.

Sec. 5741.05. As used in this section, "receive" means taking possession of tangible personal property or making first use of a service. "Receive"
does not include possession by a shipping company on behalf of a consumer.

(A) A seller that collects the tax levied by sections 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code on transactions, other than sales of titled motor vehicles, titled watercraft, or titled outboard motors, shall determine under section 5739.033 or 5739.034 of the Revised Code the jurisdiction for which to collect the tax.

(B) A marketplace facilitator that collects the tax levied by sections 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code on sales facilitated by the marketplace facilitator, other than sales of titled motor vehicles, titled watercraft, or titled outboard motors, shall determine the jurisdiction for which to collect the tax as follows:

1. The location known to the marketplace facilitator where the consumer or the donee designated by the consumer receives the tangible personal property or service, including the location indicated by instructions for delivery to the consumer or the consumer's donee;

2. If division (B)(1) of this section does not apply, the location indicated by an address for the consumer that is available from the marketplace facilitator's business records that are maintained in the ordinary course of the marketplace facilitator's business, when use of that address does not constitute bad faith;

3. If divisions (B)(1) and (2) of this section do not apply, the location indicated by an address for the consumer obtained during the consummation of the sale, including the address associated with the consumer’s payment instrument, if no other address is available, when use of that address does not constitute bad faith;

4. If divisions (B)(1), (2), and (3) of this section do not apply, including in the circumstance where the marketplace facilitator is without sufficient information to apply any of those divisions, the address from which tangible personal property was shipped, or from which the service was provided, disregarding any location that merely provided the electronic transfer of the property sold or service provided.

(C) A vendor or seller of motor vehicles, watercraft, or outboard motors required to be titled in this state shall collect the tax levied by section 5739.02 or 5741.02 of the Revised Code and the additional taxes levied by division (A)(1) of section 5741.021, division (A)(1) of section 5741.022, and division (A)(1) of section 5741.023 of the Revised Code for the consumer's county of residence as provided in section 1548.06 and division (B) of section 4505.06 of the Revised Code.
A vendor or seller is not responsible for collecting or remitting additional tax if a consumer subsequently stores, uses, or consumes the tangible personal property or service in another jurisdiction with a rate of tax imposed by sections 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code that is higher than the amount collected by the vendor or seller pursuant to Chapter 5739. or 5741. of the Revised Code.

Sec. 5741.07. Except as otherwise provided in section 5741.11 of the Revised Code, a marketplace facilitator that is treated as a seller pursuant to division (E) of section 5741.01 of the Revised Code has the same rights and obligations under this chapter as other sellers. Such obligations include registering with the tax commissioner under section 5741.17 of the Revised Code and collecting and remitting the taxes levied under this chapter on sales facilitated by the marketplace facilitator in accordance with section 5741.04 of the Revised Code. A marketplace facilitator's rights and obligations regarding a sale are not affected by the amount of the price paid by the consumer that will accrue to or benefit the marketplace facilitator as compared to the marketplace seller for which the sale is facilitated, or by whether or not such marketplace seller has substantial nexus with this state, registers with the tax commissioner under section 5741.17 of the Revised Code, or collects and remits taxes on sales not facilitated by a marketplace facilitator in accordance with section 5741.04 of the Revised Code.

A marketplace seller that is required to collect and remit the taxes levied under this chapter shall continue to do so for all sales other than those facilitated by a marketplace facilitator that is treated as a seller pursuant to division (E) of section 5741.01 of the Revised Code, including sales facilitated before the first day of the first month that begins at least thirty days after the marketplace facilitator first has substantial nexus with this state.

Sec. 5741.071. (A) A marketplace seller may request and shall obtain a waiver from the tax commissioner for a marketplace facilitator not to be treated as a seller pursuant to division (E) of section 5741.01 of the Revised Code with respect to a specific marketplace seller if the following conditions are met:

(1) The marketplace seller certifies it has annual gross receipts within the United States, including the gross receipts of any affiliate, as defined in section 122.15 of the Revised Code, of at least one billion dollars;

(2) The marketplace seller or its affiliate, as defined in section 122.15 of the Revised Code, is publicly traded on at least one major stock exchange;

(3) The marketplace seller is current on all taxes, fees, and charges administered by the department of taxation that are not subject to a bona fide
dispute;

(4) The marketplace seller has not, within the past twelve months, requested that a waiver related to the marketplace facilitator at issue be canceled nor has the waiver been revoked by the commissioner; and

(5) The marketplace seller has not violated division (B) of section 5739.30 of the Revised Code.

(B) A marketplace seller shall request a waiver on the form prescribed by the commissioner. A request for a waiver shall contain a signed declaration from the marketplace facilitator acquiescing to the request for a waiver. A waiver request that is not ruled upon by the commissioner within thirty days of the date it was filed is deemed granted. A waiver that is granted by the commissioner or deemed to be granted is effective on and after the first day of the first month that begins at least thirty days after the commissioner grants the waiver or the waiver is deemed granted. The waiver is valid until the first day of the first month that begins at least sixty days after it is revoked by the commissioner or cancelled by the marketplace seller.
