Generally, meetings of the Commission and its Committees are public. Persons attending public sessions need not identify themselves. However, some of the listed meetings may not be entirely public. Under the Commission's Public Participation Policy, closed meetings may be held in matters involving certain personnel issues and the acquisition/disposition of real estate, matters required by law to be confidential, including discussion of certain taxpayer information, and some discussions with counsel over pending litigation. For your convenience, you may choose to contact Shirley Sicilian, General Counsel, at (202) 624-8699, for an indication of which of the listed meetings may not be entirely public. Your contact, which may be on an anonymous basis, also permits the Commission to provide adequate seating. Feel free to request a copy of the Public Participation Policy to review the precise details of the Policy.
