

NNP Possible Goal Areas – Rough Draft v 1.0 4-29-14

Vitality and Reputation of NNP –

- Increase membership in NNP, both states and local governments
- Comprehensive nexus resource repository – include case law, state statutes and rules
- Investment in services, use of Web site

Engagement of States and other Stakeholders –

- Develop partnerships with taxpayer organizations, other state tax organizations, practitioner organizations; leverage these resources
- Increase synergy with other MTC committees and work groups
- Outreach to the states – publicity; what do the states need?

Uniformity and Consistency of Practice –

- Education: use of technology; education of taxpayers and local governments; create education modules that can be used by outside groups
- Develop uniform model standards for nexus
- Information sharing and training
- Balancing policy and standards with state sovereignty

Compliance –

- What do taxpayers need in order to comply?
- Web site suggestion box tool
- Improve and enhance the voluntary disclosure program
- Develop new programs to assist taxpayers; test with taxpayers
- Publicity and outreach to taxpayer community and practitioners
