

State Intercompany Transactions Advisory Service Committee FY Annual Report

Chair- Krystal Bolton

The State Intercompany Transactions Advisory Service (SITAS) Committee met twice during the 2022 fiscal year. The committee first met via teleconference on July 13, 2021 and for the second time, also via teleconference, on February 2, 2022.

During the July meeting, state representatives reviewed and considered a proposed committee charter. Representatives also reviewed a revised Information Exchange Agreement. The agreement was revised to remove any obligation of the signatory state to participate in a SITAS program at the Commission should one ever be established. Participating state representatives suggested no changes to the agreement and the agreement was finalized as written. There were 63 attendees for this meeting including state participants, staff, and members of the public.

During the February meeting, the committee was alerted to a letter from Eversheds Sutherland which raised concerns about and recommended revisions to the SITAS information exchange agreement. The committee also reviewed the response memo by MTC staff. No changes to the exchange agreement were proposed by committee members. There were 44 attendees for this meeting including state participants, staff, and members of the public.
