

### **DRAFT Joint Audit Program Nomination Process Policy**

Taxpayers are nominated for an MTC audit through a process approved by the Audit Committee, which is explained at <https://www.mtc.gov/Audit-Program>. As part of the nomination process, member state representatives nominate businesses for audit. The Audit Committee adopted a policy on November 10, 2021 that MTC staff cannot divulge any nominating state's name or the reasons for any nomination.
