

MULTISTATE TAX COMMISSION

CERTIFICATE OF COMPLETION

Multistate Tax Commission Litigation Committee
Administrative Law Judge Panel
July 24, 2023

We have applied for Minimum Continuing Legal Education credit from the State Bar of Texas Committee on MCLE in the amount of 1.00 credit hours, of which 0.00 credit hours will apply to legal ethics/professional responsibility credit. The Commission cannot guarantee that any other state bar will accredit the hours or accept this form. The course, however, is designed and structured to satisfy state requirements for CLE course credit. All presenters are licensed and in good standing and have considerable experience in their specialized field—state taxation. Attendees are present in person or via remote access and may participate by asking questions or submitting questions in real time via the question box. The presenters provide their contact information to take follow-up questions after the presentation. Attendees receive materials incorporating substantial information on the topic and references to other authoritative sources. In-person attendees sign in via an attendance sheet. To confirm that remote registrants are present and participating, each webinar incorporates a series of polling questions and/or code words. We rely on remote registrants to honestly account for their attendance and participation, but in the event of an audit we retain the report from GoToMeeting reflecting everyone's length of attendance and their responses to the polling questions/code words. We also maintain records of the course, and other information to support CLE credit that attendees may claim. If you need supporting documentation or have other questions, please contact us at events@mtc.gov.
