

MULTISTATE TAX COMMISSION

Dear MTC Partnership Work Group Participants, Uniformity Committee, and Members of the Public:

This is a reminder that the Partnership Work Group will be having its regularly scheduled call next Wednesday, March 15, 2023 at P.M. Eastern.

We will continue our discussion of sourcing guaranteed payments. On the last call, MTC staff gave a presentation on this subject. The slides and the video from that presentation are available in the Meeting Archive on the project webpage here: <https://www.mtc.gov/uniformity/project-on-state-taxation-of-partnerships/>.

On next week's call, we hope states will share any information about their approach to sourcing guaranteed payments that may be helpful to understand what led to the adoption of their rules generally. We also welcome members of the public to share any issues or concerns they have about state sourcing of guaranteed payments.

Thanks as always,

Helen Hecht, Uniformity Counsel
