

**Dear MTC Partnership Work Group Participants,  
Uniformity Committee, and Members of the  
Public:**

This is a reminder that the Partnership Work Group will be having its regularly scheduled call this **Wednesday, April 19, 2023, at 3:00 P.M. Eastern.**

We will continue our discussion of sourcing of guaranteed payments and will also briefly review a summary of the comments we have received on the draft model for the treatment of investment partnerships. The agenda for the meeting (below) and information on both of these subjects is on the project page, here:

<https://www.mtc.gov/uniformity/project-on-state-taxation-of-partnerships/>.

We hope states can share any thoughts they have about next steps or additional information they might wish to have.

Thanks, as always,

*Helen Hecht*, Uniformity Counsel
